 test-agent (offline)

Agent test-agent

 Edit description

Mark this node temporarily offline

Maven testing agent for Project 4

4. Test agent Connected

The screenshot displays the Jenkins web interface for a specific node named 'test-agent'. The top navigation bar includes the Jenkins logo, the text 'Nodes', a dropdown arrow, and the node name 'test-agent'. On the right side of the header, there are icons for search, settings, and a user profile. A left-hand sidebar contains a list of actions: 'Delete Agent', 'Configure', 'Build History', 'Load Statistics', 'Script Console', 'Log', 'System Information', and 'Disconnect'. The main content area features a 'Build Executor Status' section with a '0/1' indicator and a dropdown arrow. Below this, the title 'Agent test-agent' is followed by three buttons: 'Edit description', 'Mark this node temporarily offline', and a help icon. The text 'Maven testing agent for Project 4' and 'Agent is connected.' is visible, along with a partially shown 'Mark this node' button at the bottom.
